GLENN ANDERSON  
**DAY OF  
GOLF**  
For the Cross Cancer Institute

An event by

Presented by

The Cure Cancer Foundation is a new grassroots movement that was founded by a group of people who each have decades of experience in raising funds for cancer research and treatment here in Alberta.

The Foundation started as a dedicated group of volunteers establishing a way to have a more direct relationship with the researchers and doctors to be able to help tell their stories and fund vital research and treatment programs.

Our primary goals are to raise money for cancer research and to end the serious battles people face every day from the moment they hear “you have cancer.”

**We are passionate about finding a cure and enhancing the lives of Albertans dealing with the disease. All proceeds will be directed towards the latest cancer research.**
